Pipets, Pipettes and Pipette Tips

Hach offers a variety of high-quality pipets for accurate liquid dispensing including

- Serological pipets
- Mohr pipets
- Volumetric pipets
- Class A pipets
- Fixed or variable volume pipettors.

Pipets are available in a variety of materials, size and length.

Pipettors are available in a single channel, fixed volume for repetitive pipetting of the same volume or variable-volume pipets that have an adjustable volume for a wider range of methods and procedures.

We also offer pipet aids, fillers, racks, and disposable tips for pipettors.
